**Hospitalization, Surgery, or Anesthesia Authorization:**

As owner (or agent for the owner) of the pet described above, I authorize San Juan Veterinary Clinic, Inc. to perform diagnostic, therapeutic, anesthetic, emergency and surgical procedures necessary for treating and maintaining my pet's health and well-being. San Juan Veterinary Clinic, Inc. uses the safest equipment and medications, and will take precautions to insure the safety of my pet at all times. I am fully aware of the risks involved with anesthesia and the possibility of an adverse reaction.

I give my consent to San Juan Veterinary Clinic, Inc. staff to perform the following procedures:

**Canine Oral Cleaning and Assesment (see estimate) or Feline Oral Cleaning and Assesment (see estimate)**

Standard dental prices include a thorough dental examination, general anesthesia, intravenous catheter, fluid administration, ultrasonic and hand scaling, polishing, anesthetic monitoring and a complimentary nail trim. **Extractions, antibiotics, fluoride treatments and sealants are additional.**

**Pre-anesthetic testing release:**

Advances in anesthesia and surgery have made routine procedures relatively safe with a low rate of complications. Nevertheless, occasional problems can arise. We recommend that all patients be screened prior to anesthesia by means of the following laboratory tests.

*Pre-anesthetic bloodwork screening:*

*Level 1 (\$69.00), level 2 (\$108.00), or Level 3 (\$139.00)*

Microchip \$47.00

Heart Worm Test for dogs \$27.00

FELV/FIV Test for cats \$41.00

**Please check any additional dental care products needed.**
